

## The Black Hills of Dakota

[F] Take me back to the black hills The black hills of [C] Dakota  
To the beautiful Indian country that I [F] love [C7]

[F] Lost my heart in the black hills The black hills of [C] Dakota  
Where the [C] pines are so high  
That they kiss the sky [F]above.

### BRIDGE

And when I [Bb] get that lonesome feelin'  
And I'm [F] miles away from home  
I [G7]hear the voice of the mystic mountains  
[C] Callin' me back home

So [F] take me back to the black hills  
The black hills of [C] Dakota  
To the beautiful Indian country That I [F] love

### BRIDGE

And when I [Bb] get that lonesome feelin'  
And I'm [F] miles away from home  
I [G7]hear the voice of the mystic mountains  
[C] Callin' me back home

So[F] take me back to the black hills  
The black hills of [C]Dakota  
To the beautiful Indian country That I [F] love

To the[C7] beautiful Indian country THAT I [F] LOVE !
