

OLD FLAMES CAN'T HOLD A CANDLE TO YOU

C F
 Downtown tonight I saw an old friend someone who...
 G7 C
 I used to take comfort from long before I met you
 C C7 F
 I caught a spark from her eyes a forgotten desire
 G7 C
 With a word or a touch I could have rekindled that fire

C F
But old flames can't hold a candle to you
G7 C
No one can light up the night like you do
C7 F
Flickering embers of love I've known one or two
G7 C
But old flames can't hold a candle to you

F
 Sometimes at night I think of old lovers I've known
 G7 C
 I remember how holding them helped me not feel so alone
 C C7 F
 Then I feel you beside me and even their memories are gone
 G7 C
 Like stars in the night lost in the sweet light of dawn

C F
But old flames can't hold a candle to you
G7 C
No one can light up the night like you do
C7 F
Flickering embers of love I've known one or two
G7 C
But old flames can't hold a candle to you

But [G7] old flames can't hold a candle to [C] you
