

[Bb] I could be walking on the water I could be swinging on a star
[Eb] Playing a game of leapfrog with [Bb] Venus and mars
[Bb] I could be drinking beer with Buddha sliding down a crescent moon
[Eb] Dancing with god to an [Bb] angel's tune
[Bb] Could be shakin' hands with Jesus, calling Allah my friend
[Eb] Driving straight ahead and [Bb] missing the bend
But I'm [Eb] sailing on the ocean [Bb] rocking to and fro
[Eb] Whatever way the current runs that's [F] where I'm gonna go
What [Eb] ever port I [F] find I'm [Bb] gonna call it [Eb] home
I'm [Bb] sailing on a [F] wind that doesn't [Eb] blow [Bb]

(Instrumental) [Bb] [Bb]

[Bb] Now the motion of the ocean led me to the notion
[Eb] I'll be giving sorrow [Bb] none of my tomorrows
[Bb] Now I'm wrapped up in blanket of love from the sun
In the [Eb] water I see the reflection of [Bb] good things to come
And I'm [Eb] sailing on the ocean [Bb] rocking to and fro
[Eb] Whatever way the current runs, that's [F] where I'm gonna go
And [Eb] whatever port I [F] find I'm [Bb] gonna call it [Eb] home
I'm [Bb] sailing on a [F] wind that doesn't [Eb] blow [Bb]

I'm [Eb] sailing on the ocean, [Bb] rocking to and fro
What [Eb] ever way the current runs that's [F] where I'm gonna go
And [Eb] whatever port I [F] find I'm [Bb] gonna call it [Eb] home
I'm [Bb] sailing on a [F] wind that doesn't [Eb] blow
I'm [Bb] sailing on a [F] wind that doesn't [Eb] blow
